THANKS
TO THOSE ON THE FRONTLINE OF COVID-19

Although Masses are celebrated and opened to the parishioners, please remember that social distancing is still in order. You need to have a mask on; seating is six (6) feet apart. When lining up for communion, keeping the 6 feet distancing, please keep your mask on, receive the host in your hand (*saying Amen*), and move to the side. Remove your mask and consume the host then proceed back to your seat.

If you feel sick, are coughing, have a fever, please stay home. Live Masses can be seen on FIOS-48, Spectrum-97 or Optimum-30 in different languages on Sundays or any day of the week.

Give thanks to the Lord for He is good. His love is everlasting. Psalms 136:1

Don't forget to wear a mask when you go to the rectory. Or anywhere else. Your life matters.

PREPARING FOR
ADVENT

Advent - Sunday, November 29 is the first Sunday of Advent. Advent is a time of preparation for Christmas. This year, although we lack the usual hustle and bustle of crowded malls, Santa in every corner, Christmas carols, etc., we have added to our lives the risks and worries of today's realities: Coronavirus. Covid-19. Advent was meant to slow down, to see the wonders of our world and to prepare for the coming of Jesus. We can still take time to look at the falling snow, the icicles on the trees, someone's act of kindness, a feel good movie. Of course, your troubles do not magically disappear, but you become hopeful. You see that with God your mountain becomes a hill and your cross is more bearable. Your brain releases the endorphins needed that allow you do see things in a clearer way. Advent is a time of hope and renewal.

Food Pantry now open. If you are in need of food, please call the rectory. We have fresh fruits and vegetables, frozen foods and fresh baked bread. Also in back of the church during church hours.
